ENGINCAN ARAZ

Frontend Developer │ Web Developer

engincanaraz@outlook.com • Linkedin • My Website • Github • Bağcılar,İstanbul

Summary

I'm front-end developer who prioritizes user experience and enjoys combining aesthetics with functionality. I continuously improve myself and create projects driven by my passion for web technologies. I aim to pursue a career in this field by specializing in React.js, modern CSS libraries, and the JavaScript ecosystem.

Education

Kırklareli University — Kırklareli, Turkey
Computer Programming │ GPA: **3.30** / 4.0 — 09/2022 - 07/2024
